• Today's Readers are Tomorrow's Leaders

Brainfeed Junior for the **age group 3-6** develops curiosity in tiny tots by providing fun filling activities, rhymes, short stories, colouring and many more interesting contents trying to inculcate reading skills right from the tender age. The tiny tots can get an advantage to practice the colourful skill sheets.

Brainfeed Primary for the **classes 1 and 2** (age 6-8) and for the **classes 3 to 5** (age 8-10) provides interesting content like short stories, fabulous activities, thematic information, life skills and many more which the children can enjoy with fun and enthusiasm and develop reading and creative skills in them. The skill sheet along with the magazine is an added advantage for the students. Students can also contribute their innovative articles in the form of story, humour, art and so on.

Brainfeed High for the **age group 10-16** provides valuable knowledge for the students inculcating reading habits in them by providing content of their interest and value, making them eager to know more about different contents other than academic content. The worksheets are an added advantage for the students that can enhance the practice skills in students. Students can contribute their innovative articles in the form of story, humour, art and so on.

Brainfeed, a monthly educational initiative, specially conceptualized and designed for stakeholders related to education has achieved considerable refinement disseminating information on teaching methodologies, advancements in educational systems and many more. It also educates parents on handling their children in terms of behaviour, inculcating moral/ethical values etc. It also appreciates the contribution of articles from parents, teachers and educators.

UNIQUE FEATURES OF BRAINFEEED magazines

- By using QR code scanner/reader app on the smart phone, children can enjoy watching and listening to their favorite rhymes, stories and other articles, in addition to read. So BRAINFEEED magazines are 'Read, Watch, Listen,' educational magazines.

- SKILL SHEETS given FREE along with magazine every month for Nursery, LKG, UKG students provide practice for what they have learned in that month, and ACADEMIC SUPPLEMENT given FREE along with magazines every month for class I to class X, prepares students for various Scholarship/Olympiad/Competitive exams, covering subjects like English, Maths, Science and Test of Reasoning, follows CBSE/ICSE/STATE syllabus.
